

Rebate Now Available For Powerwall

For each Powerwall purchased, installed and registered between August 11 and December 31 2023, you can claim a rebate of £350.

Powerwall is a home energy storage solution designed to store energy for use at any time, ensuring uninterrupted power supply—even during black-outs.

Key Benefits

- Cost savings through optimised energy usage
- Access to energy stored by a home solar system, day and night
- Real-time monitoring of your home's energy usage
- Enable backup protection during power outages
- Reduced reliance on the grid and a lower carbon footprint
- Conveniently charge your vehicle using energy from Powerwall
- Flexibility to expand your energy storage capacity by adding up to 10 Powerwalls
